

## Abundance Distribution List

In 2015, we shared over 1 tonne of fruit with 69 organisations.

Here is a list of organisations we have shared fruit/facilitated sharing of fruit with in the past. Some contact details not included due to confidentiality.

If you would like to be involved in distribution in any way please get in touch 07508 269388.

This list is not exhaustive, feel free to share fruit with anyone/anywhere in the community who would like some of the juicy organic lovely fruit! This list will be updated periodically throughout the season.

Many thanks - Lucy 2016
